

2 Years Labor/10 Years Parts Warranty

# Gulf Stream

SWIMMING POOL  
HEAT PUMPS™

Made in the **USA**

Top Notch  
**QUALITY**  
Best  
**WARRANTY**

## HE-2 Series

# Gulf Stream™

SWIMMING POOL  
HEAT PUMPS

**2 Years Labor/10 Years Parts- Limited Warranty**  
\*See complete warranty for details

## Features:

### Performance and Efficiency

- Super Sized Evaporator Coil**
- 100% Full Flow Titanium Turbo Heat Exchanger**
- Ultra-Quiet 825rpm Fan Motor**
- Thermal Expansion Valve**
- Chill Buster (optional)**

### Intelligent Control and Design

- Sensible Automation**
- Solar Ready Differential Control**
- Advanced Diagnostic LCD Display**
- Even Heat**
- Triple Thermostat**
- Durable ABS Cabinet**

### State of the Art Manufacturing

- Helium (He) Testing**
- Mass Flow Charging**
- Interlocked testing Stations**
- Final Run Test**

## Benefits:

- This is where efficiency begins (4 sided design)  
Higher Performance in colder weather  
Largest in the Industry
- Lifetime warranty against corrosion  
100% Titanium  
Turbo design for maximum heat transfer into your pool  
All 2" plumbing to maintain efficient full water flow
- Ultra-Quiet and efficient operation only 56db
- Refrigerant regulated for maximum efficiency in all types of weather
- Reverse Gas defrost allows heating in conditions below freezing  
Units can also cool the pool
- Capable of automating your pool/spa combo  
Controls valves and thermostat operation  
Compatible with all external automation
- Automate your solar pool heating for the perfect hybrid system  
Maximizes efficiency and control
- Notifies you of potential service issues in real words –not codes  
Back lit display, multiple languages, and digital lockout standard
- Override the timer to maintain your desired temperature anytime
- Individual controls for pool, spa and solar thermostats
- Rattle free. Rust proof. UV protected for lifetime durability
- Factory leak detection 100 times more accurate than our competitors  
ensuring optimized performance
- Computerized refrigerant filling with no human error  
Accurate to 1/100th of an ounce ensuring each unit is **"Perfect"**
- Computerized quality control testing process can't be bypassed
- Tests every component, in every unit, every time  
A **"Perfect"** unit every time for the ultimate piece of mind
